<b>DESCRIPTION</b>	<p>Vidya Shikshan Prasarak Mandal AHEs Central Institute of Business Management, Research &amp; Development, Nagpur IIC Cell and ED Cell conducted Session on My Story - Motivational Session by Successful Startup founder on 27th Sep 2023. Session started with introduction of very energetic and dynamic Startup Founder Rajdeep Nagwani, an AI Consultant, Co-Founder of RajPedia, Nagpur by Dr. Krunal Parekh, Convener, IIC and ED Cell.</p> <p>Rajdeep began the workshop with an insightful presentation on the fundamentals of artificial intelligence, highlighting its role in transforming industries such as healthcare, finance, and transportation. He emphasized the importance of understanding AI's capabilities and limitations for harnessing its potential effectively. In the second segment, Rajdeep delved into various AI tools and frameworks, providing attendees with practical knowledge about their applications. He showcased real-world examples of how these tools have been used for image recognition, natural language processing, and other AI tasks. The hands-on demonstrations allowed participants to gain a deeper understanding of AI development. The section on Generative AI was particularly engaging, as Rajdeep demonstrated how AI models can be trained to create art, write stories, and compose music. Attendees were inspired by the possibilities of AI-powered creativity and its potential impact on various creative industries.</p> <p>Lastly, Q&amp;A session were taken. Dr. Amishi Arora, Principal, CIBMRD</p>

congratulate her team for the success of the session. We would like to express our sincere gratitude to Rajdeep Nagwani for sharing his expertise and insights in this workshop. Special thanks to all the participants for their active engagement and contributions, which made this event a memorable and educational experience.
